FINDINGS FOR PROJECTS EXEMPT FROM CEQA:

The Planning Commission finds that the project will not have any significant effect on the environment and is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to section 15301 of the CEQA Guidelines, because the project consists of minor alterations to a commercial suite within an existing shopping center.

FINDINGS FOR APPROVAL – ENTITLEMENT PLAN AMENDMENT NO. 12-03:

1. Entitlement Plan Amendment No. 12-03 to permit modifications to the operational conditions of an existing 46,000 sq. ft. commercial recreation and entertainment facility to include modifications to Conditions of Approval Nos. 2(b) which restricts the daily hours of operation and 2(c) which limits the types of entertainment conducted within the facility will not be detrimental to the general welfare of persons working or residing in the vicinity or detrimental to the value of the property and improvements in the neighborhood. The project modifications will be within an existing unit of a multi-tenant commercial shopping center in an area comprised of similar commercial uses. The modifications will not result in additional building floor, changes to onsite vehicular circulation or vehicular ingress/egress from the adjacent right-of-way and adjoining commercial properties. The project will not be located in close proximity to potentially sensitive land uses. The project will be adequately parked and will not have any significant impacts onto abutting properties. The expanded entertainment activities will be wholly contained within the building's interior and shall be limited to within the restaurant and designated dining areas. The project will not generate significant noise, odors, or other detrimental impacts onto surrounding properties.
2. The entitlement plan amendment will be compatible with surrounding uses because the modifications to the existing commercial recreation and entertainment use will only modify existing business hours and expand entertainment uses which will be only conducted wholly within the interior of an existing unit within an established district containing similar commercial uses. Other existing indoor recreational uses have been established within commercial areas and maintain similar characteristics to existing commercial uses in the surrounding area.
3. The proposed entitlement plan amendment will comply with the provisions of the base district and other applicable provisions in SP14 (Beach and Edinger Corridors Specific Plan-Town Center Boulevard Segment), Titles 20-25 of the Huntington Beach Zoning and Subdivision Ordinance, and any specific condition required for the proposed use in the district in which it is located. Live entertainment uses are permitted within the zoning district with the approval of a conditional use permit.

4. The granting of the conditional use permit will not adversely affect the General Plan. It is consistent with the Land Use Element designation of M-sp-d (Mixed Use-Specific Plan Overlay-Design Overlay) on the subject property. In addition, it is consistent with the following goals and policies of the General Plan:

A. Land Use Element

Objective – LU 7.1: Accommodate the development of a balance of land uses that provides for commercial, employment, entertainment, and recreation needs of existing and future residents, and provides employment opportunities for residents of the City and the surrounding region and captures visitor and tourist activity.

Objective – LU 10.1: Provide for the continuation of existing and the development of a diversity of retail and service commercial uses that are oriented to the needs of local residents, serve the surrounding region, and capitalize on Huntington Beach’s recreational resources.

Policy – 10.1.8: Require that entertainment, drinking establishments, and other similar uses provide adequate physical and safety measures prevent negative impacts on adjacent properties.

The proposed project will modify operations of a commercial recreation and entertainment facility to provide a wide arrange and diversity of commercial uses and cater to the needs of local residents and residents in the surrounding region. The project will provide additional entertainment uses that will encourage tourism to the site and the surrounding area. The project will facilitate employment opportunities. To mitigate potential impacts associated with the project, further regulations have been imposed to ensure that the additional live entertainment and expanded hours of operation will not impact the subject site and surrounding area.

B. *Economic Element*

Policy – ED 2.4.2: Seek to capture the “new growth” businesses such entertainment-commercial developments.

Policy-- ED 2.4.3: Encourage the expansion of the range of goods and services provided in Huntington Beach to accommodate the needs of all residents in Huntington Beach and the market place.

The project is located along a highly focal corridor of the City which contains existing restaurants, retail, and entertainment uses. The project serves to provide a diversity of uses along Edinger Avenue and serves to facilitate in the expansion of commercial uses within this district with vibrant and unique uses.

CONDITIONS OF APPROVAL – ENTITLEMENT PLAN AMENDMENT NO. 12-03:

1. The site plan, floor plans, and elevations received and dated January 5, 2010, shall be the conceptually approved design.
2. The uses noted in the project narrative dated received February 21, 2012, shall comply with the following:
 - a. The hours of operation shall be limited between the following hours:
 - i. Monday – Thursday: 11:00 AM and 11:00 PM
 - ii. Friday: 11:00 AM and 1:00 AM

- b. Prior to commencing with live entertainment activities, an Entertainment Permit must be obtained from the Police Department. All conditions contained in the Entertainment Permit shall be adhered to. **(PD)**
- c. All live entertainment activities shall be limited to the restaurant, buffet dining rooms, and party rooms, and game center areas of the facility. The existing occupancy of each room shall be maintained and remain as an area for the purposes of dining.
- d. Signs shall be clearly and conspicuously posted identifying the areas of the facility where alcohol is prohibited. **(PD)**
- e. Service of alcoholic beverages for consumption off-site will not be permitted. **(PD)**
- f. All areas where the sales, service, and consumption of alcoholic beverages are permitted shall be sufficiently illuminated to permit the identification of patrons. **(PD)**
- g. There shall be no alcohol service anywhere in the business during any special event, private event, or other activity that is scheduled to occur after hours (overnight). This includes but is not limited to "grad nights" and "lock ins". All alcohol service will cease prior to the beginning of the after hour event regardless of what time the event starts. **(PD)**
- h. Dancing, live music, and DJs are strictly prohibited during after hour special events. **(PD)**

All conditions of approval required under Conditional Use Permit No. 09-034 shall remain valid, with exception of Condition No. 2(b) and 2(e), as modified herein including all conditions of approval required under Entitlement Plan Amendment 10-005.

D. NON-PUBLIC HEARING ITEMS – NONE

D-1. GENERAL PLAN CONFORMANCE NO. 12-01 (EDINGER AVENUE UNDERGROUND UTILITY DISTRICT) **Applicant:** Public Works Dept., City of Huntington Beach **Property Owner:** City of Huntington Beach **Request:** To determine if a proposed underground utility district on Edinger Avenue, between Marjan Lane and Gothard Street is in conformance with the goals, objectives, and policies of the General Plan. **Location:** Edinger Avenue (between Marjan Lane and Gothard Street) **Project Planner:** Hayden Beckman, Planning Aide

STAFF RECOMMENDATION: Motion to: "Adopt Resolution No. 1661, approving General Plan Conformance No. 12-01 with findings (Attachment Nos. 1 and 2)."

Hayden Beckman, Planning Aide, gave the staff presentation and an overview of the project.

There was a brief discussion regarding the funding sources for underground utility districts.

There was a brief discussion regarding the challenges of obtaining private easements when the undergrounding goes outside of the public right-of-way.

A MOTION WAS MADE BY PETERSON, SECONDED BY SHIER BURNETT, TO ADOPT RESOLUTION NO. 1661, APPROVING GENERAL PLAN CONFORMANCE NO. 12-01 WITH FINDINGS, BY THE FOLLOWING VOTE:

AYES: Shier Burnett, Peterson, Bixby, Mantini, Delgleize, Farley, Ryan
NOES: None
ABSENT: None
ABSTAIN: None

MOTION APPROVED

FINDINGS FOR PROJECTS EXEMPT FROM CEQA:

The Planning Commission finds that the proposed project will not have any significant effect on the environment and is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Section 15302, Class 2 (d) of the CEQA Guidelines because, "Conversion of overhead electric utility distribution system facilities to underground including connection to existing overhead electric utility distribution lines where the surface is restored to the condition existing prior to the undergrounding," is exempt from environmental review.

FINDINGS FOR APPROVAL – GENERAL PLAN CONFORMANCE NO. 12-01:

The General Plan Land Use Map designation for the subject property is public right-of-way. The proposed project is consistent with this designation and goals, objectives, and policies of the City's General Plan as follows:

A. Urban Design Element

Goal UD 1: Enhance the visual image of the City of Huntington Beach.

Policy UD 1.3.2: Provide for the implementation of streetscape improvements along the major commercial corridors, through public capital improvement programs, business district improvements, or other techniques as funding is available.

The removal of existing Southern California Edison power poles and associated overhead wires for Time Warner and Verizon along Edinger Avenue will enhance the appearance of Edinger Avenue by eliminating structures that detract from the visual image of the corridor and significant public views.

Policy UD 2.2.4: Require the undergrounding of utility lines.

B. Utilities Element

Policy U 5.1.2: Continue to underground above ground electrical transmission lines.

The Underground Utility Committee has identified Edinger Avenue, between Marjan Lane and Gothard Street as a high priority district due to the high level of use of Edinger Avenue and the visual and safety impacts associated with utility poles and overhead wires. The proposed Underground Utility District will allow for the undergrounding of Southern California Edison power poles and associated overhead wires for Time Warner and Verizon along a segment of Edinger Avenue.
